Manufacturer	Amount	Freight Allowance	Min Billing
PURE/EDGE LIGHTING	\$2,094.00	Plus Freight	

STANDARD SHIPPING

Orders shipping via small parcel carriers within the 48 contiguous states will have a flat freight charge of 12% of the order value with \$20 minimum charge. Products that cannot be shipped via parcel carriers require a freight quote.

NON-STANDARD SHIPPING

Alaska, Hawaii and Puerto Rico air shipments will require a quote. For shipments to Canada, taxes, duties and brokerage fees will be charged unless the customer provides a broker. Broker information should be provided at the time of submitting the order. Full Freight Allowed (FFA) policy below applies to domestic port.

ALTERNATIVE METHODS

PureEdge Lighting can ship orders on a third-party account number depending on carrier upon request. Please provide this information with the purchase order if applicable. All shipping damage claims will be the responsibility of the party who pays for shipping. Additional shipping lead times may apply.

If a special shipping method is requested (union driver, special pallet/stacking requests, lift gate, etc.) the order may no longer be FFA eligible and will require a freight quote.

FULL FREIGHT ALLOWED POLICY

FFA orders will ship via ground and by the method that PureEdge Lighting chooses (Parcel Carriers, Truck, etc.)

EXPEDITED SHIPPING

All orders shipped via Expedited Services (Any Priority Shipments: Next Day Air, 2nd & 3rd Day Priority, etc.) will require a freight quote prior to shipping. FFA is not applicable.

SAME DAY SHIPPING

A \$25 rush fee will be applied to stock items that are requested to ship the same day. Cut off time for UPS is 12:00 PM (noon) Central Time. Cut off time for FedEx is 11:00 AM Central Time.

FULL FREIGHT ALLOWED (FFA) AMOUNTS:

FFA qualified minimum order value ☐ \$5,000*

*Mirrors, Glass, and Oversized items are excluded from FFA

Orders of \$10,000 or more ship FFA without special product restrictions.
